Sir,

With reference to Government Proceedings No 96-7 dated 12th July 1901, sanctioning an estimate for Rs. 200/ for the repairs of Anjaneya Swamy temple at Kolar, I have the honor to submit herewith a completion bill for the work and to state that the amount has been drawn and paid to the Contractor.

The savings from which the

of the Padikara and other allowance payable to the Archiks, which was held in abeyance from December 1895, as the temple was in disrepair and the archaks were reported to have encroached on the temple compound. The work now executed to the temple has provided it with a decent compound wall and gives a good appearance to the temple. — It is also ascertained that the encroachment on the temple compound has been removed. —

3. The total amount saved for the temple since December 1895 — from the Padikara and other allowances amounted to Rs: 275-12-7 up to the end of June last. — Deducting from this the amount of Rs: 200/- expended for the repair of the temple, the balance available at the end of June last was — Rs: 75-12-7. The Archakas —

pray that this amount which is
made up only of the arrears of pay
due to them may be given to them.
Their request appears to be reason-
-able. I therefore submit herewith
a bill for the amount and request,
that it may be passed and that
Sanction may be recorded for pay-
-ments of the amount to the archills.
